Enquiries or complaints about primary care services

If a patient has an enquiry or a complaint in relation to services provided by GP Practices, opticians, dentists and pharmacists, they can either direct this to the provider of the service (i.e. via their GP Practice Manager), or to NHS England.

Many patients choose to seek local resolution directly with the service provider, this can often be quicker and less formal.

If a patient chooses to direct their enquiry or complaint to NHS England, the NHS England [Contact Centre](#) can be contacted on: **0300 311 2233** (8am to 6pm Monday to Friday excluding bank holidays):

- By e-mail: england.contactus@nhs.net
- By post: NHS Commissioning Board, PO Box 16738, Redditch, B97 9PT
